### FISHER THEATRE

The fascinating life of one of pop music's greatest performers and song-writers takes center stage in **Beautiful: The Carole King Musical**. The show begins just before Brooklyn native Carol Klein composes her first hit song, "Will You Love Me Tomorrow," in 1959 when she is 17, pregnant and newly married to 20-year-old lyricist Gerry Goffin. In the decade that follows, King and Goffin produce a string of classic hits while forming a lasting friendship with another composing couple, Cynthia Weil and Barry Mann. When Carole's personal life begins falling apart, she responds by stepping out of the shadows with **Tapestry**, a deeply personal collection of songs that becomes one of the best-selling albums of all time.

Motorcoach Transportation included.
