Mrs. Stancliffe's guests return year after year to her B&B, and her neighbor, the elderly, silver-tongued Bud "The Stud" Davis, believes they come to spend time with him. Stancliffe's would-be suitor is a retired chemist who has developed a pill to increase the libido of menopausal women. When the women mix up Bud's Viagra pills with the "Venusia," we discover that it has a strange effect on men: it gives them all the symptoms of menopausal women, complete with hot flashes, mood swings, and irritability!

### 9:00am - 7:00pm

*\*Times may vary depending on your departure & return location\**
