Climb aboard and hear the whistle blow! The Cuyahoga Valley Scenic Railroad is located in Northeast Ohio and runs through Cuyahoga Valley National Park, 33,000 acres of land that is part of the National Park System. Experience the beauty wonder of Ohio's National Park, while riding in an historic train car. Sit back and relax as the train weaves through the Cuyahoga Valley and races along with the rushing Cuyahoga River. The route provides passengers the opportunity to possibly spot eagles, deer, beavers, and herons in their natural habitat. One of the oldest tourist excursion railways in the country, this railroad takes you on a peaceful two-hour trip through the park.

A registration form is required for all travelers
