## Amadeus

**A symphony of beauty, brilliance and betrayal.**

Antonio Salieri is a respected, devout composer enjoying success at the imperial court. Then he meets Wolfgang Amadeus Mozart—childish, irreverent, and effortlessly brilliant. To Salieri's astonishment, this ridiculous young man possesses a musical genius far beyond his own. Admiration turns to rivalry as Salieri grapples with faith, ambition, and envy in this thrilling and unforgettable drama.

## Jeeves & Wooster

in Perfect Nonsense

**Dignity is optional. Laughter is guaranteed.**

Bertie Wooster is a young aristocrat who is forever getting himself into frightful scrapes. Thank goodness he has a butler, the legendarily unruffled Jeeves, to come to his rescue, usually without his even noticing. Based on a 1938 P.G. Wodehouse novel and performed by three remarkable actors bringing to life a host of characters, this Olivier award-winning play is a celebration of theatrical virtuosity and pure silliness.
