Visit the **Auburn Cord Duesenberg Automobile Museum** in Auburn, IN. **A Boxed Lunch will be included** at the museum with free time to explore on your own. This automotive mecca exhibits over 120 cars ranging from 1894 to 1999 and automotive displays on three floors. The museum has the greatest and most extensive collection of Auburn Cord and Duesenberg automobiles in the world. Experience the passion from this great era as you step back through time and walk the same hallways as the automotive giants of yesterday.

Just next door is the **National Auto & Truck Museum**, housed in two of the former factory buildings of the Auburn Automobile Company. Over 80,000 square feet of vehicles are on display; NATM proudly presents over 190 pre and post war cars and trucks; prototype vehicles, vintage gas and oil pumps, muscle cars and even a real 1946 diner. It is also home of the very rare GM Futurliner #10 (out of only 12 produced). Step back in time and reminisce in these two 1920's buildings from the Auburn Automobile Company that are now listed as National Historic Landmarks. Tour the International Gallery of Trucks and engines, plus a model car/truck and toy collection.
