Van Gogh in America celebrates the DIA's status as the first public museum in the United States to purchase a painting by Vincent van Gogh, his *Self-Portrait* (1887). On the 100th anniversary of its acquisition, experience around 70 authentic Van Gogh works from around the world and discover the fascinating story of America's introduction to this iconic artist, in an exhibition only at the DIA.

A full-length, illustrated catalogue with essays by the exhibition curator and Van Gogh scholars will accompany the exhibition. The Detroit Institute of Arts is the exclusive venue for this exhibition.

A registration form is required for all travelers
