Summer is in full swing, and so are our tours!

We've had an incredible season so far, with many of our trips filling up well in advance. If you've been thinking about traveling with us, **don't wait**. Hotels & theatres require us to release unsold space one to two months before a tour departs, and once they're gone, we often can't get them back. Look for the final payment due date on the flyer or trip registration ending date!

That's why **now is the time to book** our upcoming multi-day tours, including **Autumn in the Adirondacks** and **Christmas in Newport**. These tours feature exceptional 4-star accommodations—The Grand Adirondack Hotel in Lake Placid, as well as iconic attractions such as the **Breakers Mansion**, the grandest of Newport's summer "cottages". Inclusion of properties and attractions like these are a part of what makes these tours truly special.

We're also thrilled to announce our **Holiday Tour lineup**—a guest favorite every year. These trips always fill quickly, so please be sure to register early to avoid missing out. There's still availability on select **September and October one-day tours**, too, so if you're looking for a quick one day getaway, we've got you covered.

Looking ahead to 2026, we're excited to roll out brand-new itineraries! We'll be commemorating **America's 250th Birthday** and the **100th Anniversary of Route 66** with tours that celebrate these iconic milestones in American history. And our signature tour of the year is nothing short of extraordinary—**Australia!** This once-in-a-lifetime adventure takes place during their springtime and offers a perfect blend of natural beauty, vibrant cities, the outback, and unforgettable wildlife.

If you're dreaming of a warm escape early next year, we have plenty of sunshine waiting for you. Relax in **Jamaica**, enjoy a **Caribbean cruise**, soak in the beauty of **Hawaii**, discover charm in **Gulf Shores, Alabama**, and in May return to timeless elegance at Mission Point Resort on **Mackinac Island**.

Whether you're a seasoned traveler or new to our trips, **thank you for being part of our travel family**. Your enthusiasm and loyalty make every journey more meaningful. We can't wait to explore with you again soon—wherever the road (or sky!) may take us.

Warm wishes,

Wendy E. Baggett

2026 ANNIVERSARY TOURS

HISTORIC JOURNEYS

Celebrating the 250th anniversary of the United States and the 100th anniversary of Route 66

The year 2026 will be a landmark moment for travelers and history lovers alike. The United States will celebrate its 250th anniversary, known as America 250, while Route 66, the Mother Road, marks its 100th year. Both anniversaries will be celebrated across the country with special events, preservation efforts, and a renewed focus on the places and stories that shaped our nation.

America 250 invites us to reflect on our history, celebrate our progress, and look toward the future. Across the country, historic sites will host commemorations, reenactments, and cultural events that bring the nation's founding era to life. Route 66's centennial will spotlight the charm of small towns, neon signs, roadside diners, and the unique Americana that made it one of the most beloved highways in the world.

Custom Holidays will take you there for both celebrations. In April, our America 250 – Virginia's Living Legacy tour will explore Colonial Williamsburg, Monticello, and St. John's Church, along with the colorful spectacle of the Virginia International Tattoo.

Then in June, our Route 66 – St. Louis to Oklahoma City adventure will bring you to classic roadside icons like the Blue Whale of Catoosa, vintage gas stations, quirky attractions, and museums that tell the deeper story of this famous road.

These milestones only come once. Whether you are drawn to the history of America's founding or the nostalgia of the open road, 2026 is the perfect time to join the celebration and make memories along the way.
