Happy New Year!

Can you believe another year has come and gone? We are so grateful for our Custom Holidays family. Not only have we seen a record number of tours in 2023 but also a record number of travelers. More importantly, you've touched us on a personal level. So many of you have been prayer partners for Ron's health this year. From his lowest point at the beginning of 2023, you've continually asked about him, sent cards, and offered your kind words. To see him enjoying the New Year's Eve Party was nothing short of a miracle.

Some of our 2024 tours have already sold out and I know that is a trend that will continue. Let me remind you to get your deposits in before the final payment deadline so that you can be assured a spot on the tour. We get many calls after the deadline, so please look at that date for any tours that pique your interest. We offer a small deposit along with a cancellation policy to give everyone a chance to register for the tour right away. We always recommend travel protection for the overnight tours as this carries cancellation protection as well.

Custom Holidays takes great care to create a special experience with each tour we design. We are glad you are enjoying the upgraded dining experiences, and this year we've added some upgraded accommodations as well. We want every component of your tour to be a part of your lifetime memories. Another important part of travel is supporting the communities and small businesses of the area. We have worked hard this year to incorporate a more local experience by staying at boutique hotels, enjoying local cuisine, and allowing time for shopping to support each destination. I encourage you to look over this newsletter to find new travel experiences for this year. You can always find flyers for every tour on our website, or we can mail them to you at your request. Follow us on Facebook & sign up for our weekly emails to be the first to learn about new tours.

Thank you for traveling with Custom Holidays!
