HAPPY NEW YEAR!! As we welcome another exciting year of travel, I want to thank each of you for being such an important part of our Custom Holidays family. Traveling together has created so many wonderful memories, friendships, and shared moments, and we are truly grateful for your continued support.

As we head into the new year, we're excited to share that many of our upcoming tours include early booking discounts, with some deadlines approaching at the end of January. We encourage you to check the dates carefully and give us a call to get your name on the list. If needed, we're happy to allow time for payments to be mailed in—just don't wait too long, as space can fill quickly. Please also take note of the registration deadlines listed on our website and flyers for our tours, as once tickets or hotel space are released, we often cannot get them back.

Last year, we launched our new online travel portal, making it easier than ever to register online and make payments toward your tour along the way. We're also celebrating some exciting milestones this year, including special tours honoring America's 250th anniversary with American music-themed day trips, our America 250 multi-day tour, and the continued journey along Route 66, traveling from Chicago to Oklahoma City as we celebrate this iconic highway.

While we'll be adding more tours for July through December in the coming months, we encourage you to register now for the trips currently scheduled through June. New adventures will continue to pop up, so be sure to receive our weekly emails, follow us on Facebook, and join us at our next Travel Show to stay in the loop.

Thank you for choosing to travel while you can, for saying yes to new adventures, and for welcoming new friends along the way. We're so thankful to share the road with you and look forward to another year of unforgettable journeys together.

Warmest regards,

*Wendy E. Baggett*

### Reserve Early to Secure Your Spot!

Our tours are filling up faster than ever, and we want to make sure you don't miss out! Here's why it's so important to sign up early:

- **Tours sell out quickly** – Many of our trips have limited group sizes, and spots are claimed fast.
- **Deadlines matter** – Theaters, hotels, and restaurants often require final counts and payments 30-45 days in advance, which means we have to release any unsold seats or rooms.
- **Avoid waitlists** – Waiting too long can leave you on a waitlist with no guarantee of a spot.

To make it easier, we offer a deposit option to hold your place, giving you time to pay the balance later. Don't delay—reserve your spot today and enjoy peace of mind knowing your next adventure is all set!
