This farce, set at a quaint and cozy bed and breakfast in New England, is “The Golden Girls” meets “Grumpy Old Men,” filled with mayhem, mischief and mood swings. Enjoy the fun when there is a mix-up of libido-boosting pharmaceuticals?

Mrs. Stancliffe's Rose Cottage Bed & Breakfast has been successful for many years. Her Guests (nearly all women) return year after year. Her next door neighbor, the elderly, silver-tongued, Bud Davis believes they come to spend time with him in romantic liaisons. Her other neighbor and would-be suitor Henry Mitchell is a retired chemist who has developed a blue pill called "Venusia," after Venus the goddess of love, to increase the libido of menopausal women. The pill has not been tested.

Add to the guest list three older women. The women mix up Bud's Viagra pills with the Venusia, and we soon discover that it has a strange effect on men: it gives them all the symptoms of menopausal women, complete with hot flashes, mood swings, weeping and irritability! When the mayhem settles down, all the women find their lives moving in new and surprising directions.

**Friday, May 29**

* $83
* 9:30 am—6:00 pm

**Departure & Return**

Place To Be Announced
