William Henry Cosby, Jr. (born July 12, 1937) is an American comedian, actor, author, television producer and activist. A veteran stand-up performer, he got his start at various clubs, then landed a vanguard role in the 1960's action show "I Spy." He later starred in his own series, "The Bill Cosby Show" in 1969. He was one of the major characters on the children's television show, The Electric Company for its first two seasons. He created the humorous educational cartoon series Fat Albert and the Cosby Kids, about a group of young friends growing up in the city, Cosby also acted in numerous films.

His good-natured, fatherly image has made him a popular personality and garnered him the nickname of "America's Dad." He has also been a sought-after spokesman and over the years has plugged numerous products including Jell-O Pudding, Kodak Film, Ford, Texas Instruments, and Coca-Cola
