Johnny with June in 1964, prior to their marriage in '68. June helped John kick his drug habit.

From the heart of the songs of Johnny Cash comes a unique musical show about love and faith, struggle and success, rowdiness and redemption, home and family. These are songs full of love and feelings, wit and understanding, and like all

country songs, they tell it like it is. I have complete faith that although we do not dramatize Johnny Cash's life, by the end of the show the audience will feel that they have

spent the evening in the presence of an extraordinarily real man. Let us take you on a journey into the world of Johnny Cash created in his songs. RING OF FIRE features thirty-eight of the music legend's songs such as "Country Boy," "A Thing called Love;" "Five Feet High and Rising," "I Walk the Line" and many more. These are songs full of love and feeling, wit and understanding and like all country songs, they tell it like it is. Even if you've forgotten what your roots are I hope as we bring to life these wonderful songs, we will touch your heart, mind and soul as well, and take you back to a part of your life you may want to return to.
